On notice of an appeal, the Administration shall submit a written report to the Captain and Board of Directors for their discussion.

- ii. An Apprentice Professional or Member of the PGA of BC must be in good standing for a minimum of 6 months prior to the event in order to be accepted. In the event that a tournament has not reached its capacity, members in good standing with fewer than 6 months experience will be considered for entry.
- iii. In the event that eligibility requires a member to be in a certain category, the member must have been in that membership category for at minimum 30 days prior to the start of the event. ie. Club Professional Championship
- iv. In fair-mindedness and in spirit of competition for PGA of BC members, entry priority for tournaments will go to individuals who are currently working full-time in the golf industry when an event has reached its registration capacity. In such cases, an alternates list will be created on a first-come-first-serve basis. Tournament registrants understand that determinations of full-time employment will be at the sole discretion of the PGA of BC and verified documentation (i.e. government-issued documents) may be required in order to confirm eligibility. Full-time employment must be confirmed by the event's registration deadline or when an event reaches capacity, whichever comes first
- v. If a registrant has a history of withdrawals during or prior to the start of events, the PGA of BC reserves the right to place members in question on an alternates list if a tournament reaches capacity
- vi. In the event that a team-oriented tournament has reached its registration capacity, an alternates list will be created. Clubs wishing to submit more than one team will be added to this list and only accepted into the field if the tournament does not reach its capacity.
- vii. A PGA of BC member may not play in more than two (2) professional tour events 45 days in advance of the commencement of the PGA of BC event in order to be eligible to compete and win prize money in said event. Tours under this clause include all tours used in the Official World Golf Rankings plus the Champions Tour, European Senior Tour, LPGA Tour and Symetra Tour. Exceptions to this two-event limit include any nationally recognized Championship, such as the US Open, Open Championship, RBC Canadian Open or PGA Championship.
- viii. All team competitions must include participants from the same facility, unless otherwise stated.
- ix. Provision for acceptance of entries will be at the discretion of the Captain's Committee.

- x. Pairings and starting times: It is the player's responsibility to be aware of his/her starting time for any PGA of British Columbia event. Starting times can be accessed online or by contacting the office.
- xi. **Entries must be PAID IN FULL prior to the event registration deadline.** Entries will be confirmed via website email confirmation. **All draws are final and will not be adjusted for any reason.**
- xii. **Cancellation Policy:** Cancellations received prior to the entry deadline (in writing) will receive a full refund. Any member who doesn't properly withdraw or cancel from a tournament prior to its start will forfeit their entry fee and may be subject to additional penalties.
- xiii. **Late Cancellation:** Cancellations received after the deadline will not be refundable.
Note: At the discretion of the PGA of BC Office, a full refund may be given if there is sufficient reason for doing so. Examples include: Waiting list allows for an easy substitution of players, family sickness or emergency prevented proper cancellation. Injuries occurring prior to entry deadline must be disclosed at time of registration. Failure to do so will result in the competitor forfeiting their entry fee if withdrawal from the Championship is necessary due to said injury.
- xiv. **No Show Policy:** Any member who has entered a tournament and fails to appear for his/her starting time without reasonable cause will be subject to the forfeiture of the entire entry fee amount. In addition, without submitting a written explanation within a reasonable amount of time (7 days after the tournament ends) any further requests for refund consideration will be refused and the member will be subject to a no-show penalty (see section 4iv).
- xv. **Late Entry:** Entries received after the registration deadline of the tournament will be put on an alternate list and will be accepted into the tournament if space permits and it doesn't compromise the coordination of the tournament.

3. PURSE & PAYOUTS

- i. Championship purses are solely determined by the PGA of BC and are based on an event's participation. Final purse amounts and placement payouts will be confirmed by the start of the tournament.
- ii. Monies earned in eligible events will be paid by cheque within 30 days of the event's conclusion. Cheques will be sent to the primary address listed on a member's PGA of Canada profile.
- iii. If a cheque is required to be re-issued as a result of being sent to an incorrect address, a \$25.00 Administration Fee will be deducted upon re-issue. It is the member's responsibility to ensure their primary address is up to date by the event's entry deadline.
- iv. Participants agree that they will not share any part of the prize money they may win in a Championship with any other contestant and will not enter into any arrangement whereby they could have a financial interest in any other player's prize money (such as through prize-splitting or prize money 'insurance').
